So we don't need to worry about alien teRrorists. It's our own crazies that will take us down.

And I'm talking about the hosts of the shows. The callers are rabid.

Well, you should hear the whacko wing of the GOP. The US is through; too many foreigners sucking the teat; time to hunker down, buy ammo and food, and prepare for the end. The right wing radio shows are scary to listen to.

I'm ready. Overheard some ladies talking about American today. According to them we've bankrupted ourselves and at through. We'll never be able to pay off our debt and are going down the tubes. They don't seem to see that they can't afford to keep up their welfare state either. Strange.

Has work this morning. Got to talk to their internal "spooks." I was going to take the train to Windsor Castle, but stuff closes early in winter so it wasn't going to work. Instead, went Hempstead --an Edwardian English village, full of beautiful, huge houses--which have been ruined by letting the hoi paloi live there! These people have ruined everything with their equality push!

Tonight going to a movie and dinner with [REDACTED] and her partner. Tomorrow at 8am, I get on a tour bus to go to Windsor Castle, Stonehenge and Oxford(or is it CAMbridge?). Figured I may never get the chance otherwise and have Always wanted to see Stonehenge. Then, hopefully a nice dinner and bed to be ready for the trip home. Am being good -- no shopping. Everything is super expensive even if the dollar and pound were equal. See you soon [REDACTED] Lois G. Lerner --
